

## 30th CIRP Life Cycle Engineering Conference (LCE 2023)

May 15-17, 2023, New Brunswick, New Jersey, USA

January 19, 2023

Salutation:

First name:

Last/Family name:

Passport#:

Date of Birth:

Country of Nationality:

Address:

Paper # and Title (if applicable):

Dear \_\_\_\_\_ :

We cordially invite you to attend the 30th CIRP Life Cycle Engineering Conference (LCE2023). LCE2023 will be held at the Academic Building at Rutgers University from May 15 - 17, 2023 in New Brunswick, New Jersey, USA. Over 150 scientific papers, keynotes, lunch seminars, exhibitions, workshops, and other special events will be presented. LCE2023 consists of more than 40 technical sessions representing a wide range of LCE topics from data analytics, artificial intelligence (AI), sustainability, to circular economy. LCE2023 gathers international professionals who present the most current information, research, and updates in this expanding field.

In order to give an **oral or poster presentation in person** at the conference, you may need to obtain a visa. We encourage you to contact your local Consulate or the Consular Section of your local US Embassy if you need a visa and to determine the approximate time for the visa application process to be completed. The LCE2023 Organizing Committee has no influence or control over the issuance of a visa.

The United States Department of State - Bureau of Consular Services maintains a website which provides information on the visa application process. <https://travel.state.gov/content/visas/en.html>

This Letter of Invitation is to be used for the purpose of securing a visa to attend LCE2023. Attendees' registration, travel, lodging, and any other expenses incurred to attend this conference will not be covered or waived by the LCE2023 Organizing Committee.

We look forward to your participation in LCE2023.

Sincerely,

Yuebin Guo, Ph.D.  
LCE2023 Chair  
Henry Rutgers Professor of Advanced Manufacturing  
Rutgers University-New Brunswick
